I, _____, the District Representative of the above named school district, do hereby certify that the following site conditions have been met:

1. The District has prepared a location on the school site that is cleared and graded. The elevation of the 30' x 50' pad is level, graded within 9" of level in any direction.
2. Each site has a minimum soil bearing capacity of 1,000 pounds per square foot and the location allows for maneuvering space for the entry, turnaround and exit of a large truck and trailer.
3. Each pad is 30' x 50', turf-free with adequate drainage.

The District will furnish a hard surfaced walkway in compliance with Title 21 of the California Administrative Code, "Access to Public Buildings by Physically Handicapped Person".
